Chapter 1 by Leonard

I once again wake up, crying, i wish to speak but I'm a baby..... I don't remember how I died, but I'm sure I will forget that I lived again.

Chapter 2 by Jane

This feeling I have, this feeling of infancy, of helplessness. I've felt it before. I remember. My life, my last life, was exciting. I was important somehow...what was I?

I protected an important person. In the back recesses of my mind I see a dark car, a gun by my side, flashlights. If only I could think about it, remember it!

But my tummy rumbles. I need food. I'm wet and I smell. Ah yes. The baby needs looking after.

Chapter 3 by Leonard

My da.. Ad... Dad comes to pick me up.... I think I remember what happened.

I was protecting..... Err.... Oh yhea! I was protecting William, my brother.

I remember the last night he got in trouble with some gang.

The last thing I remember was that my brother was by my side, but I could barely see him because of a light, a white light.
